

ARCHIE PEROCHO

E-Commerce Customer Support Specialist | Email & Live Chat Support

Davao City, Philippines | +639945995933 | archp938@gmail.com

PROFESSIONAL SUMMARY

Customer Support Representative with **5+ years of experience** supporting customers through phone, email, and live chat across e-commerce, retail, telecommunications, and technical support environments. Skilled in resolving customer concerns, handling order and account issues, managing escalations, maintaining accurate records, and delivering professional support in high-volume remote environments.

PROFESSIONAL EXPERIENCE

Customer Service / Technical Support Representative

November 2020 – November 2024

- **Resolved** billing, account, service, and customer concerns through phone, email, and digital support channels, maintaining accurate and customer-focused communication.
- **Assisted** customers with account updates, service activations, and order/service-related concerns by reviewing details and following established procedures to deliver accurate resolutions.
- **Diagnosed** internet and connectivity issues through structured troubleshooting, improving first-contact resolution and minimizing unnecessary escalations.
- **Handled** urgent, sensitive, and frustrated customer enquiries professionally by identifying the underlying concern and providing clear next steps.
- **Documented** customer interactions, account changes, troubleshooting actions, and resolutions accurately in CRM systems to support efficient follow-up.
- **Maintained** a **98% customer satisfaction rating** by combining timely responses, accurate information, and effective issue resolution.
- **Reduced** support escalations by **40%** by resolving customer concerns efficiently and identifying appropriate solutions before escalation.
- **Earned Employee of the Month** recognition for consistently delivering strong customer service through phone and live-chat support.

Chat Support Representative

November 2024 – January 2026

- **Managed** multiple customer conversations through live chat, delivering clear, professional, and accurate responses while maintaining service quality.

- **Resolved** customer enquiries by identifying needs, reviewing available information, and applying established support processes to provide appropriate solutions.
- **Prioritized** urgent customer concerns and multiple simultaneous conversations, helping maintain efficient response times in a high-volume environment.
- **Documented** customer issues, actions taken, and resolutions accurately to support consistent follow-up and effective escalation.
- **Handled** complaints and sensitive enquiries with patience and professionalism, helping maintain positive customer relationships.
- **Improved** response efficiency by approximately **25%** through effective prioritization, organized workflows, and consistent communication practices.

E-commerce / Sales Representative

December 2019 – November 2020

- **Supported** retail and e-commerce customers with product, account, and service enquiries while maintaining professional and customer-focused communication.
- **Resolved** customer concerns by identifying needs, explaining available options, and recommending appropriate solutions to improve the overall customer experience.
- **Managed** high-volume customer interactions while maintaining accuracy, attention to detail, and adherence to established service standards.
- **Handled** complaints and escalations by gathering relevant information, documenting concerns, and coordinating appropriate next steps.
- **Strengthened** customer retention by building rapport, addressing concerns effectively, and providing personalized assistance.

Outbound Representative / Appointment Setter

January 2026 – August 2026

- **Conducted** outbound calls to customers and prospects, identifying needs and maintaining professional communication throughout each interaction.
- **Handled** objections and sensitive conversations by actively listening, providing relevant information, and guiding prospects toward appropriate next steps.
- **Maintained** accurate CRM records and follow-up notes, supporting organized customer management and consistent communication.
- **Followed up** with prospects consistently, demonstrating reliability, persistence, and strong attention to detail.
